

Call to Serve Summit 2026

Register today for the second annual Call to Serve Summit on October 16, 2026.

The summit is an opportunity for higher education professionals to develop, update and deepen government advising expertise, and to gain exposure to government hiring managers & their peers.

This fully virtual one-day event will feature representation from different federal and state agencies, a keynote speaker, breakout sessions across a range of career topics, and a networking opportunity.

Session content will be presented using a dynamic and user-friendly virtual platform, enabling higher education participants from across the country to participate in a variety of content formats and special topics alongside peers.

2026 Call to Serve Summit Sessions:

- Policy Changes Shaping Early Career Hiring
- Inside Federal Hiring: Changes, Challenges & Opportunities
- State Government: An Expanding Pathway to Public Service
- AI in Government: Trends, Tools, and Career Readiness
- The Future of International Relations Careers
- Unexpected Careers in State Government
- What Hiring Managers Are Seeing: Application & Interview Trends
